Welcome to the Meet-the-Experts Webinar Series: Careers in Industry

Raise your hand if...

The screenshot shows a GoToWebinar interface. On the left, a dark blue sidebar contains several icons: a red arrow, a red microphone with a slash, a white document icon, and a green hand icon. A yellow tooltip with a close button (X) is positioned over the hand icon, containing the text "You are muted by an Organizer." An orange arrow points from the bottom right towards the hand icon. The main window has a title bar with "File View Help" and a globe icon. Below the title bar is a "Audio" section with a "Sound Check" button and a help icon. It shows "Computer audio" selected with a blue radio button and "Phone call" with a white radio button. Below this, a red microphone icon is followed by the word "MUTED" in orange. A dropdown menu shows "Transmit (2- Plantronics Savi 7xx)". A volume bar with green segments is visible, followed by another dropdown menu showing "Speakers (2- Plantronics Savi 7xx)". Below the audio section is a "Questions" section with a large text input area and a "Send" button. At the bottom, it says "Webinar Now" and "Webinar ID: 200-167-467". The GoToWebinar logo is in the bottom right corner.
