Interacting in Today's Program

If you have any questions, please send a message to Lianne Wiggins (the host).

Ask Questions:

During the speakers' presentations, use the Q&A button to ask the speaker questions they will answer at the end of the program.

Polls:

During some of the speakers' presentations, they will utilize the polling feature. Be sure to respond to participate!

Chat:

Feel free to use the chat function during the program to ask SITC staff questions, or to interact with other ACI attendees.

Claiming Your Credit!

If you have any questions, please email "education@sitcancer.org."

Steps to claim Continuing Education Credits:

Please fill out and turn in the paper evaluation you To obtain your credits, please follow the steps below at the conclusion of the virtual program:

1. Go online to CME University at www.cmeuniversity.com.
2. Login or create a new account (takes less than one minute to register).

Once logged into CME University, follow these steps:

3. Type in **15631** at the top of the page under "Find Post-Test/Evaluation by Course" and hit enter.
4. Click on the activity title, "**Advances in Cancer Immunotherapy™ 2021**," when it appears.
5. Choose the date option of "**5/6/2021**."
6. Select the type of credit you are seeking.
7. Complete the online evaluation.
8. Select the total credit hours for all the presentations you attended and click on the claim link
9. Receive an immediate CME/CE certificate to download and/or print for your files.

- If looking to obtain MOC credits, you must successfully complete the post-test, with a score of 75% or higher, and then complete the online evaluation.
