

Society for Immunotherapy of Cancer

# **Meet-the-Expert Webinar: Women in IO**

Wednesday, September 15, 2021  
4:00-5:00 p.m. ET

# Webinar Agenda

4:00-4:10 p.m ET Overview: Welcome and Introductions

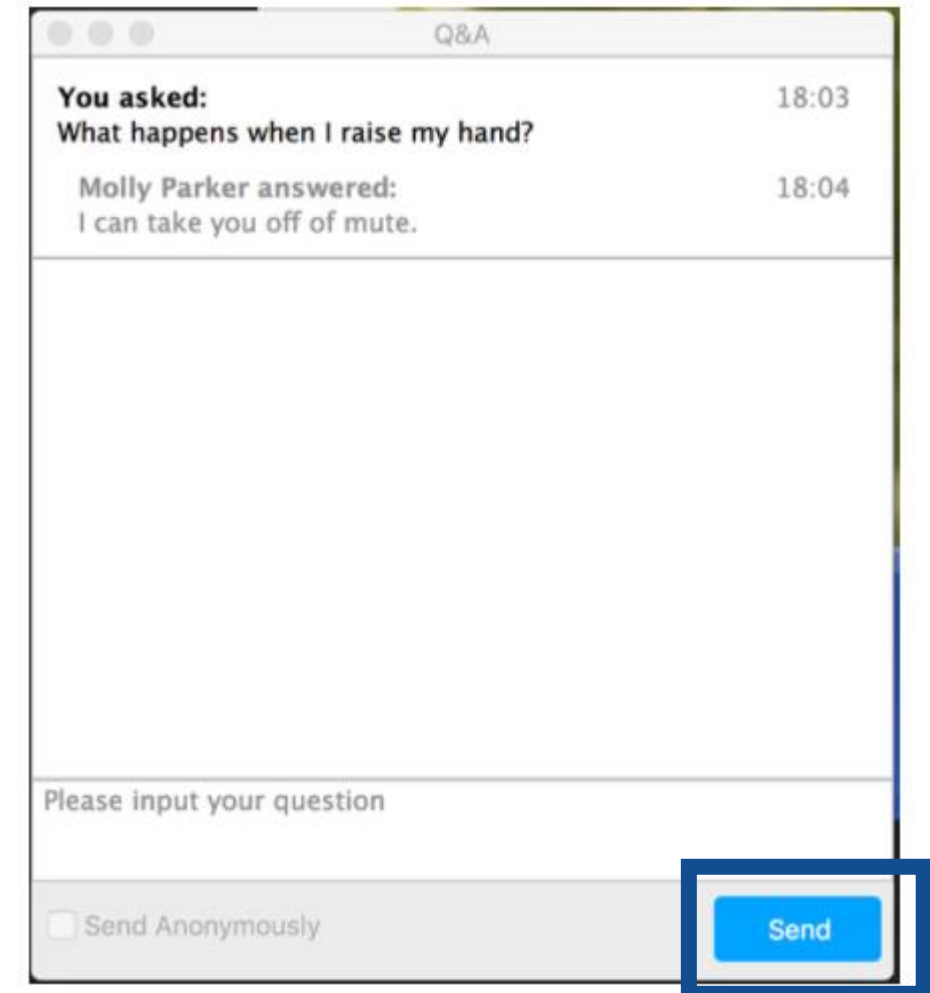

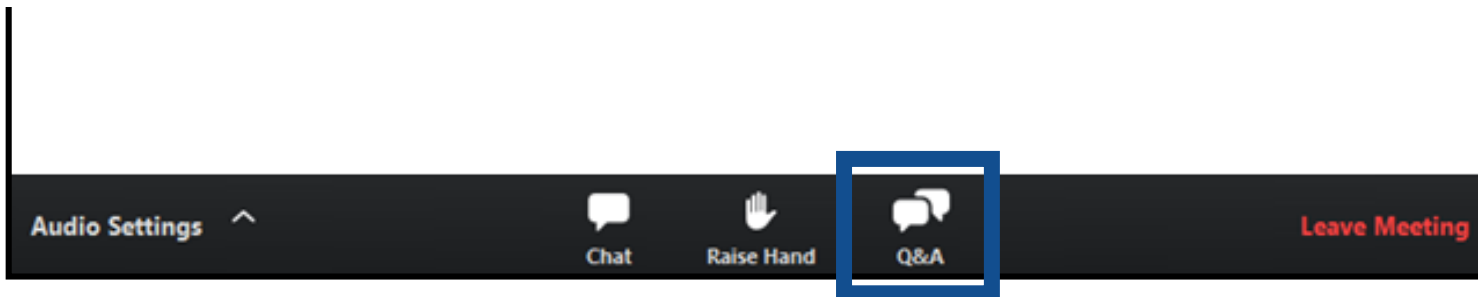

4:10-4:40 p.m. ET Faculty Presentations / Discussion

4:40-4:55 p.m. ET Question and Answer Session

4:55-5:00 p.m. ET Closing Remarks

# How to Submit Questions

- Click the “Q&A” icon located on at the bottom of your Zoom control panel
- Type your question in the Q&A box, then click “Send”
- Questions will be answered in the Question & Answer session at the end of the webinar (as time permits)

# Webinar Faculty

**Moderator:**  
Abigail Overacre-Delgoffe, PhD  
*University of Pittsburgh*

Jennifer L. Guerriero, PhD  
*Brigham and Women's Hospital*

Padmanee Sharma, MD, PhD  
*The University of Texas MD Anderson  
Cancer Center*

# Dr. Abigail Overacre-Delgoffe, PhD

---

- Received an NIH F31 as well a foundation fellowship for her graduate work on regulatory T cells in tumors
- Received a Damon Runyon Postdoctoral Fellowship at the University of Pittsburgh for her work on the microbiome and cancer
- Current research focuses on the underlying mechanisms by which select gut microbes enhance immunotherapy
- Aims to uncover new immunotherapeutic targets through the microbiome to enhance patient response in currently anti-PD1 refractory cancers.

# Dr. Jennifer L. Guerriero, PhD

---

- PhD immunologist and runs an independent laboratory at Brigham and Women's Hospital
- Serves as the Director of the Breast Tumor Immunology Laboratory (BTIL) at Dana-Farber Cancer Institute
- Dedicated SITC member and has served as the Chair (2018-2020) and Co-Chair (2016-2018) of the SITC Early Career Scientist Committee (ECS)
- Developed Sparkathon 2.0 & also co-founded the Myeloid Network

# Dr. Padmanee Sharma, MD, PhD

---

- Nationally and internationally renowned physician scientist whose research work is focused on investigating immunologic mechanisms and pathways that impact tumor rejection
- Principal Investigator for multiple immunotherapy clinical trials that focus on translational laboratory studies
- Co-Director of Parker Institute for Cancer Immunotherapy at M. D. Anderson Cancer Center
- Received the Emil Frei III Award for Excellence in Translational Research in 2016; the Coley Award for Distinguished Research for Tumor Immunology in 2018; and honored with the Women in Science with Excellence (WISE) award in 2020

## Career Connections Online Job Board

The Career Connections Online Job Board gives job seekers the key information on talent seekers and the job openings they need to make the next step in their career, including:

- Search jobs by location
- Set personal notifications and preferences
- Learn more about talent seekers
- Directly apply for open positions

Questions/Comments: [connectED@sitcancer.org](mailto:connectED@sitcancer.org)

# Upcoming Events:

## **Integrating the Tumor-Specific Surfaceome for Immune Targeting Virtual Workshop**

Sept. 29–30, 2021 • Online

## **Bispecific T cell Engagers Virtual Workshop**

Sept. 30–Oct. 1, 2021 • Online

## **Cytokines in Cancer Immunotherapy Virtual Workshop**

Oct. 11–12, 2021 • Online

**Register now!**  
[www.sitcancer.org](http://www.sitcancer.org)

SAVE THE DATE

NOV. 10–14 • WASHINGTON, D.C.

Register today for the hybrid event!
